Timeline for Registration

May 1, 2019
Application deadline.

Submit a brief biography (no more than 500 words) outlining who you are, why you wish to attend, how you hope to grow in your faith, and any specific Scriptural interests.

June 4, 2019

Pre-pilgrimage meeting for all those accepted into the program. Join us in person on online to pray, get to know the other pilgrims, and hear an overview of the daily schedule.

Final payments are due. Some scholarship money is available. Those who need scholarship funds should write a letter of request with their original application.

Depart for the Holy Land. While present on the pilgrimage, you will be required to lead one of the daily reflections (your thoughts about the day), participate fully in all group activities, and be committed to participating in follow up activities.

Post-Pilgrimage

The group will continue to meet, share their stories, and dive more deeply into Sacred Scripture.
