

REQUEST FOR MANDATE - HIGH SCHOOL

Dear Bishop Caggiano,

As the chaplain/campus minister/youth minister at _____
I would like to request a mandate for the following students to serve as Extraordinary Ministers of Holy Communion.

I can attest that they have received formation through The Leadership Institute and that they have received specific instruction appropriate to the *Norms Governing the Liturgical Ministers* and our local parish/school.

I understand that this mandate is good for one year.

I also understand that each pastor or administrator of the respective parish will receive notification of this mandate so that these young people might also be of service in their local faith communities.
