

## **Hold On**

**John Angotti and Grady Gambrell ©2010**

My child, there's something I want you to know.  
My child, I want you to believe that without faith  
I'd never come this far; changed my expectations,  
Learned to hope in God.  
'Cause hope is what you have when you believe in tomorrow.

Hope is what you share with those drowning in sorrow.  
Hope is what you need when you're in your darkest hour  
And after all you've gone through  
The one thing you hold on to is hope in God.

So dream of how the world could be if we all believed in love.  
Never be afraid of who you are,  
And know that if you fail it's not the end of the song.  
God is always with you.  
Christ's hope goes on and on.

Hold on for peace and justice.  
Hold on to the hope of no more war.  
Hold on to the hope of life eternal.  
Hold on to Jesus.  
Hold on to Jesus.  
Hold on; he's the hope of the world!

If there is one thing I could seal upon your heart  
As you begin destiny's road:  
That hope is in the children when they are laughing in the schoolyard

Hope is what you have when life is getting too hard.  
Hope is in the world because he's risen from the dead,  
And after all you've gone through  
The one thing you hold to is hope in God.

Hold on...
