

Honoring Witnesses

who ACCOMPANY THE YOUNG IN FAITH

The *Directory for Catechesis* reminds us that “the catechist is a witness of faith and a keeper of the memory of God... an accompanier and educator of those who are entrusted to them by the Church” (DC 113).

Now more than ever, we want to celebrate those who live out this sacred calling in our parishes.

We invite **parish leaders** to **nominate a Witness of the Week**—someone whose faithful service, joyful spirit, and commitment to walking with young people in faith deserves to be seen and celebrated.

Each week, one catechist will be:

- + **Featured on diocesan social media**
- + **Publicly recognized for their witness**
- + **Held in prayer by our diocesan community**

Let us give thanks for those who help form disciples, one encounter at a time.

Nominations are being accepted through LEAD.
